### Research Guides

To access other health-related Research Guides in *Aging, Chemistry, Consumer Health Information, Drug Information, Nutrition, Psychology, Sociology, & Sports Medicine*:

<http://www.lib.uconn.edu/using/finding/guides/referencefindingaids.htm>

### Catalogs

#### *HOMER*

<http://www.lib.uconn.edu> (UConn Libraries homepage) → **HOMER – Library Catalog**

HOMER, the Libraries' Catalog, identifies books, journal titles, and other materials owned by the University Libraries at Storrs and the regional campuses.

#### *Lyman*

<http://www.lib.uconn.edu> (UConn Libraries homepage) → **Online Resources → Find Books and Other Materials →**

**Other Catalogs → UConn Health Center**

Lyman, the catalog of the University of Connecticut Health Center Library, identifies books, journal titles, and other materials owned by that Library.

#### *reQuest*

<http://www.lib.uconn.edu/> (UConn Libraries homepage) → **All Databases → By Database Name → reQuest**

reQuest, the Connecticut Statewide Library Catalog, identifies books, journal titles, and other materials owned by most libraries in Connecticut.

#### *LOCATORplus*

<http://locatorplus.gov/>

LOCATORplus, the catalog of the National Library of Medicine, identifies books, journal titles, and other materials owned by the world's largest medical library.

### Primary Databases

*PubMed–MEDLINE through National Library of Medicine* 1950+

<http://www.lib.uconn.edu/> (UConn Libraries homepage) → **All Databases → By Database Name → PubMed**

Medline is the National Library of Medicine's (NLM) premier database of journal citations and abstracts covering nearly 4,500 journals published in the U.S. and more than 70 other countries. In addition to providing access to MEDLINE, PubMed provides access to out-of-scope citations from certain MEDLINE journals, primarily general science and chemistry journals for which the life sciences articles are indexed for MEDLINE; citations that precede the date that a journal was selected for MEDLINE indexing; and some additional life science journals that submit full text to PubMedCentral™ and receive a qualitative review by NLM.

To obtain citations to medical articles **older** than 1957, consult the following **print** sources:

1941-1959 *Current List Of Medical Literature, Level B, Federal Documents / HE 20.3612/2:*

1927-1956 *Quarterly Cumulative Index Medicus, Level B, Federal Documents / HE 20.3612/3:*

*CINAHL* 1982+

<http://www.lib.uconn.edu> (UConn Libraries homepage) → All Databases → By Database Name → CINAHL

CINAHL, the Cumulative Index to Nursing & Allied Health Literature, is the primary database for English language journal and book citations in nursing and allied health.

To obtain citations to nursing and allied health articles older than 1982, consult the following print sources:

1977-1993 *Cumulative Index To Nursing & Allied Health Literature, Level A Annex / RT 41 C86*

1956-1976 *Cumulative Index To Nursing Literature, Level A Annex / RT 41 C86*

*PsycINFO* 1872+

[http://www.lib.uconn.edu/](http://www.lib.uconn.edu) (UConn Libraries homepage) → All Databases → By Database Name → PsycInfo

PsycINFO is the primary database for psychology and the psychological aspects of related disciplines, such as medicine, psychiatry, nursing, pharmacology, and physiology. PsycInfo contains references to journal articles, books, dissertations, and other materials.

*SCOPUS* 1966+

[http://www.lib.uconn.edu/](http://www.lib.uconn.edu) (UConn Libraries homepage) → All Databases → By Database Name → SCOPUS

SCOPUS is the world's largest journal indexing and abstracting database with 27 million records covering articles from 14,000 peer-reviewed titles from more than 4,000 international publishers in scientific, medical, technical and social science fields.

## Other Health Sciences Databases
